

Attorney Docket No. Enz-53(C)

**REMARKS**

In the instant Office Action dated November 9, 2006, it was noted that Applicants had submitted documents on August 14, 2006 where the fax transmittal identifies the instant application but the rest of the papers filed at the same time reference 08/978,638. In response, Applicants assert that the fax transmittal should have identified 08/978,638 not the instant application. Therefore, all documents submitted on August 14, 2006 should be matched with the 08/978,638. Applicants representative Cheryl H. Agris was assured that this would be the case during a conversation with Examiner James Schultz.

If a telephone conversation would further the prosecution of the present application, Applicants' undersigned attorney request that he be contacted at (914) 712-0093.

Respectfully submitted,

Cheryl H. Agris, Reg. No. 34,086
